

NATURAL DIETARY BALANCE FOOD SUPPLEMENT SERIES

Cleansing

- Chitosan
- Cell Rejuvenation
- Lipid Metabolic Management Tea
- Grapes Extract

CLEANSING

From the point of view of traditional Chinese health concept the first step to achieving balance is cleansing. Modern lifestyle, pollution, stress, inadequate diet cause many harmful substances to accumulate in our bodies. If the toxins are not removed in time they may harm our bodies, mind and accelerate the aging of internal organs. Cleansing is meant to remove toxins from the digestive tract, blood vessels, lungs, skin and other organs, so that they can function properly.
